

Shriners Hospitals
for Children™

Mission

The mission of Shriners Hospitals for Children is to:

- Provide the highest quality care to children with neuro-musculoskeletal conditions, burn injuries and certain other special health care needs within a compassionate, family-centered and collaborative care environment
- Provide the education of physicians and other health care professionals
- Conduct research to discover new knowledge that improves the quality of care and quality of life of children and their families

The mission is carried out without cost to the patient or family, and without regard to race, color, creed, sex and sect.

Vision

Shriners Hospitals for Children will be the unquestioned leader, nationally and internationally, in caring for children and advancing the field in its specialty areas.
