

Shriners Hospitals
for Children™

Our Mission Statement:

- To provide the highest quality care to children with neuromusculoskeletal conditions, burn injuries and other special health care needs within a compassionate, family-centered and collaborative care environment.
- To provide for the education of physicians and other health care professionals.
- To conduct research to discover new knowledge that improves the quality of care and quality of life of children and families.

For patients at Shriners Hospitals for Children, ability to pay or insurance coverage is never an issue. There is no charge for any care or services provided within Shriners Hospitals for Children facilities.
