Shriners Hospitals for Children–Spokane

Lodging Information

The following is a listing of accommodations near the hospital in the Spokane area and provided as a guide for selecting a hotel. The listed rates may vary based on availability, number of people in party and other needs. When making reservations, please state that your child is a Shrine patient and request a “Medical Rate”. (Medical Rates may not be available on Internet and Toll Free reservations.) **If you need financial assistance for your stay in Spokane (transportation or lodging), you must contact and work with your local Shrine Temple representative to determine what best meets your needs.** (See below for a listing of Shrine Temples and phone numbers.) Parents of patients admitted to our facility for surgery or a rehab stay may be eligible to stay in our Family Center or room-in with your child on the in-patient floor. Please contact your care coordinator at the Spokane hospital for more information.
