Ford Partner Recognition Program Offers Exclusive Benefits to Shriners, Employees

Buying a new car can be a daunting process. Maybe you've been shopping around, trying to get the best value for your money. Or, perhaps you are concerned about which manufacturer offers the best warranty or financing. And then there are all the little decisions you have to make: Red or blue (or something called Smokestone)? Automatic or manual? Heated seats? Sunroof? To GPS or not to GPS?

It's enough to make your head spin.

Your search is about to get a lot easier, though. There is some great news that makes the decision to buy a Ford Motor Company vehicle a no-brainer.

Through the new Ford Partner Recognition Program, all current dues-paying Shriners and all employees and retirees of Shrine temples, Shriners International and Shriners Hospitals for Children in the U.S. and Canada are eligible for a substantial discount on a new purchase or lease of a Ford Motor Company vehicle. By taking advantage of this exclusive program, also known as the X-Plan, you could save hundreds, or even thousands, of dollars on your next vehicle!

Ford Motor Company is already offering Shriners Hospitals for Children a competitive price allowance and incentive program for their 2009 and 2010 model Econoline vans and Flex crossovers, which are used to transport patients to our hospitals. The new Partner Recognition Program is a way of further recognizing the important relationship our organizations share, while also demonstrating appreciation for our employees and fraternity members.

For further details about the program, including pricing, eligibility and plan rules, check out www.fordpartner.com. Follow the steps in the box on the right to log in to the Web site and to generate a PIN you will need when you purchase your vehicle.

Some restrictions and exclusions may apply. The X-Plan is not available in Puerto Rico or the Virgin Islands.
